

Fantastic Fundraising Opportunity for Not-for-Profit Groups

The Geraldton-Greenough Farmers' Market have allocated stalls each week for not-for-profit groups to use **for free** to promote their service and fundraise. Stalls will be allocated on a roster system. This is a fantastic opportunity for your organisation to promote itself and raise valuable funds.

Some suggestions for fundraising or other activities you may like to do at the market include:

- Raffles of food or other items that are in keeping with the market objectives. You could purchase market money from the Farmers' Market and include that in your hamper!
- Membership and volunteer recruitment
- Provide a service to shoppers to carry their shopping to their car for a donation.

Fundraising activities need to be approved by the Farmers' Market Committee to ensure they fit the objectives of the Farmers' Market and do not interfere with the fundraising activities of the Farmers' Market Committee.

If you are interested in applying for a free not-for-profit stall please fill in a stallholder application form. In the product section please describe your fundraising or other activities. All stallholders need to have public liability insurance if your organisation does not have public liability insurance you can purchase temporary insurance form the market committee for \$10 per week.

You will need to supply your own equipment for the stall including tables and shade.

Stalls will be allocated on a roster system, if you have dates that you would prefer, please indicate this on the form. We will do our best to accommodate your requests.

If you have any questions please contact the GGFM Committee
